

Public Hearing
Ohio Environmental Protection Agency
Five-Year Rule Review of Ohio Administrative Code (OAC) Rule 3745-114-01
“Toxic Air Contaminants”

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has performed a review of the above referenced rule primarily to satisfy the requirements of Section 119.032 of the Ohio Revised Code (five-year review). The DAPC finds the rule to be necessary and with need for changes. DAPC is proposing minor changes to both rules in this chapter to update information on the version and availability of items referenced in the rules.

The rule in Ohio Administrative Code (OAC) Chapter 3745-114 contains a list of compounds which, when emitted by a facility, may be cause for the director of Ohio EPA to require a permit-to-install under OAC chapter 3745-31. Pursuant to a court decision by the 10th Circuit Court of Appeals and the requirements of ORC 119.032, Ohio EPA has reviewed OAC rule 3745-114-01 and finds the need to add compounds to the list of toxic air contaminants contained in the rule.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rules before the Division formally adopts them. On March 13, 2014, these rules went out for a 30-day review by interested parties. DAPC received no comments on the proposed amendments.

Pursuant to Section 119.03 of the Ohio Revised Code, a **public hearing on these rule changes will be conducted at 10:30 AM on Tuesday, January 6, 2015** at Ohio EPA, Lazarus Government Center, 50 W. Town Street, Suite 700, Columbus, Ohio. All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitor's are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on January 6, 2015, will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after January 6, 2015, may be considered as time and circumstances permit, but will not be part of the official record of the hearing.
