**Ohio Environmental Protection Agency**  
**Rescission of Ohio Administrative Code (OAC) Chapter 3745-72**  
**“Low Reid Vapor Pressure Fuel Requirements ”**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) is planning to rescind the rules contained in Ohio Administrative Code (OAC) Chapter 3745-72 which establish the low Reid vapor pressure (RVP) fuel requirements. These rules are no longer necessary, as U.S. EPA approved the removal of the low RVP fuel requirements from Ohio’s State Implementation Plan (SIP) in the Cincinnati and Dayton areas on April 7, 2017.

Pursuant to Section 121.39 of the Ohio Revised Code, DAPC was required to consult with interested parties affected by the rules before the Division formally adopts them. On August 2, 2017, these rules went out for a 30-day review by interested parties. No comments were received.

Pursuant to Part D of Title I of the Clean Air Act, Ohio EPA is required to establish a SIP for the attainment and maintenance of the National Ambient Air Quality Standards (NAAQS). The above-mentioned rules are a part of Ohio’s SIP and the proposed amendments will be submitted to USEPA as a modification of the SIP.

Pursuant to Section 106.03 and 106.031 of the Ohio Revised Code, a public hearing on these rule changes will be conducted on **Thursday, December 7, 2017 at 10:30 AM** at Ohio EPA, Lazarus Government Center, 50 W. Town Street, Suite 700, Columbus, Ohio. All visitors to Ohio EPA must register at the Security desk in the lobby upon arrival. Please bring photo identification (such as a valid driver's license). For security reasons, visitors are required to wear their badge at all times while in the building. Please arrive early to complete these procedures.

All interested persons are entitled to attend or be represented at the hearing and give written or oral comments on these rule changes. All oral comments presented at the hearing, and all written statements submitted at the hearing or by the close of business on December 7, 2017 will be considered by Ohio EPA prior to final action on this rule. Written statements submitted after December 7, 2017 may be considered as time and circumstances permit, but will not be part of the official record of the hearing.
