TRAINING ANNOUNCEMENT FOR OWNERS & OPERATORS OF SMALL PUBLIC WATER SYSTEMS

The Ohio EPA Northwest District Office cordially invites you to join us for one of our free Informational Sessions discussing the upcoming changes to the rule for bacteria sampling. The Revised Total Coliform Rule (RTCR), which will be effective April 1, 2016, has significant changes that will affect all public water systems.

Date: January 14, 2016

Time: 1:00pm – 2:30pm

Location: Seneca County General Health District
71 S. Washington Street
Tiffin, OH 44883

Note: The training will be held in Conference Room A located in the basement of the building.

Date: January 28, 2016

Time: 9:00am – 10:30am

Location: Richland Public Health
555 Lexington Ave
Mansfield, OH 44907

Note: Meeting will be held in the Corley Room. Attendants should enter at the rear of the building.

Date: February 4, 2016

Time: 9:00am – 10:30am

Location: City of Lima Utility Field Services building
1405 Reservoir Rd
Lima, OH 45804

Who Should Attend?

Operators of Record and owners of small public water systems and interested local health department staff.

Is Registration Required?

Yes. Please register with Ohio EPA by contacting Laura Sullivan at (419) 373-3151 or Laura.Sullivan@epa.ohio.gov.

About the Informational Sessions

The sessions will feature a speaker from Ohio EPA's Northwest District Office, Division of Drinking and Ground Waters, who will discuss how the RTCR applies to small public water systems. After each session, Ohio EPA staff will be available to answer your questions and offer individual assistance. **The sessions will be identical.**
