2. The purpose of this document is to correct a condition of noncompliance with Ohio Administrative Code (OAC) Rule 3745-7-02.
3. OAC Rule 3745-7-02 (A)(1) requires each person owning or operating a PWS to designate one or more operators of record to oversee the technical operation of the PWS. The operator of record must have a valid certification of a class equal to or greater than the classification of the PWS.
4. In violation of OAC Rule 3745-7-02 (A)(1), Respondent failed to designate one or more operators of record with a valid certification of a class equal to or greater than the classification of the system, to oversee the technical operation of the PWS from at least May 6, 2013.

Attachment II is Respondent's second letter. Attachment II is hereby incorporated into this ESA as if fully stated herein.
7. Respondent failed to respond to the notices and remains in violation of OAC Rule 3745-7-02 (A)(1) for failure to obtain an appropriately certified operator. Respondent is required to meet the minimum staffing requirements for both wells, as set forth in OAC Rule 3745-7-03(C).
8. Pursuant to ORC Section 6109.31, no person shall violate this chapter, any rule adopted under it, or any order or term or condition of a license, license renewal, variance, or exemption granted by the director of environmental protection under it. Each day of noncompliance is a separate violation.
9. In consideration of Respondent's size of business, its full compliance history, its good faith effort to comply, and other factors as justice may require, and upon consideration of the entire record, this ESA is an appropriate mechanism to resolve the noncompliance detailed in the Findings of this ESA.

III. ORDERS

In order to resolve disputed claims, without admission of fact, violation or liability, and in lieu of further enforcement action by Ohio EPA for only the violations specifically cited in this ESA, Respondent consents to the issuance of this ESA and agrees to comply with this ESA.

Compliance with this ESA shall be a full accord and satisfaction of Respondent's liability for the violations specifically cited herein.

Respondent hereby waives the right to appeal the issuance, terms and conditions, and service of this ESA, and Respondent hereby waives any and all rights Respondent may have to seek administrative or judicial review of this ESA either in law or equity.

Notwithstanding the preceding, Ohio EPA and Respondent agree that if this ESA is appealed by any other party to the Environmental Review Appeals Commission, or any court, Respondent retains the right to intervene and participate in such appeal.
