

Need Help with Environmental Issues?

*The Office of Compliance Assistance and Pollution Prevention (OCAPP) provides **free and confidential** onsite environmental assistance to help businesses understand and comply with environmental requirements.*

Any business in Ohio can receive free and confidential compliance and pollution prevention assistance.

OCAPP is an independent, non-regulatory office within Ohio EPA, and information obtained by the office is not subject to public records requests and is not shared with inspection or enforcement staff.

Many resources are available including:

- A toll-free confidential hotline (800) 329-7518 staffed 8-5 Monday through Friday with environmental specialists who can answer compliance questions;
- Confidential help with Ohio EPA paperwork and permit applications;
- Industry-specific compliance information, written in plain English; and
- Confidential on-site assessment to help identify ways to achieve and maintain compliance with environmental requirements.
