Continuing education requirements:

- In order to maintain certification, you must complete 12 professional development hour units (PDHUs) IN YOUR CERTIFICATION PERIOD.
- Six of the 12 PDHUs must be earned by attending courses and seminars conducted by Ohio EPA that are approved for PDHUs.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission ("Commission") pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after the notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00 made payable to "Treasurer, State of Ohio" which the

Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Commission at the following address:
