software

GET STARTED TODAY!

To use eDRUMS, you must have an eBusiness Center account. The Responsible Official or their duly authorized representative must have an eBusiness Center account and a personal identification number (PIN).

The PIN serves as your electronic signature and requires completion of a mail-in signature form. Once the RO account is established, preparer roles may be assigned to users of your choice.

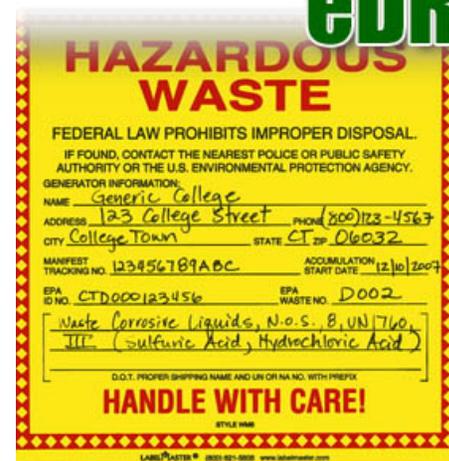

If you don't already have an account, sign up today! Visit ebiz.epa.ohio.gov to get started.

eDRUMS

eBusiness Center

Introducing Ohio EPA's eDRUMS Web-based reporting software — a new way to do business.

- Faster, more accurate annual report filing
- Reduced mailing costs
- Built-in data validation and quality checks minimize errors
- No need to start from scratch — copy and use past reports as a base for future reporting
- Receiving facility and transporter EPA ID numbers are pre-populated in a pick list — relevant information is automatically inserted on forms
- Free training, telephone and e-mail tech support

Ohio EPA's eBusiness Center is a secure online portal for business services. The new eDRUMS Web-based Hazardous Waste Annual Report Service replaces the DRUMS Data Entry Module, and is used to complete and submit the Annual Hazardous Waste Report.

- EASIER AND MORE EFFICIENT
- NO ADDITIONAL SOFTWARE TO INSTALL OR MAINTAIN
- EDIT CHECKS HELP PRODUCE HIGHER QUALITY REPORTS
- PIN-PROTECTED RESPONSIBLE OFFICIAL ACCOUNTS
- DELEGATED SUBMISSION AND DATA ENTRY RIGHTS
- CALL 614 | 644 2621 FOR DETAILS

Each year by March 1 in Ohio, large quantity generators and treatment, storage or disposal facilities of hazardous waste must submit a Hazardous Waste Annual Report covering activities conducted the previous calendar year.

WHO MUST FILE?

- Any generator that produces 1,000 kg (2,200 lbs) or more of non-acutely hazardous waste or 1 kg (2.2 lb) or more of acute hazardous waste in any calendar month.
- Facilities that have a permit to treat, store or dispose of hazardous waste.
- Facilities that conduct on-site management of their own wastes in permitted units.

WHAT IS eDRUMS?

Ohio EPA has implemented new Web-based reporting software for the regulated community. Part of the agency's eBusiness Center, this software does not require any changes to your existing operating system. However, you must establish an eBusiness Center account.

GREATER ACCURACY

Built in data validation and quality checks minimize errors and help to assure compliance!

FASTER FILING

Electronic filings save time and money! Reports can be completed more quickly and Ohio EPA receives reports within seconds of submission.

SAFE RECORD-KEEPING

All report submissions are safely stored on our protected data servers. Access copies of your information at your convenience - 24 hours a day, 7 days a week!

FREE TRAINING

Training for eDRUMS is ongoing. For updates, watch our Web site and sign up for our electronic mailing service.
