

3745-501-05 Licenses required for solid waste facilities.

- (A) No person shall operate a facility without possessing a separate, valid license for each operation, as required by Chapter 3734. of the Revised Code and rules adopted thereunder. Failure to obtain a renewal license is grounds for closure.
- (B) Each license shall be obtained from the licensing authority.
- (C) A license issued pursuant to this chapter shall be effective until December thirty-first of the year for which it is issued, unless revoked.
