

3745-599-01 Beneficial use - applicability.

- (A) This chapter is the program chapter for the beneficial use of the following wastes, including instances where the waste is commingled with other materials, that are placed on land or burned unless otherwise excluded as provided in rule 3745-599-05 of the Administrative Code:
- (1) Foundry sands that are a solid waste, industrial waste, or other waste.
 - (2) Material resulting from the treatment of a public water system's source water supply for drinking or industrial purposes that are a solid waste, industrial waste, or other waste.
 - (3) Solid waste, industrial waste, or other waste for use as fuel or as an ingredient in a combustion unit.
 - (4) Material excavated or dredged from a federal navigational channel during harbor or navigation maintenance activities.
 - (5) Sewage sludge incinerator ash.
- (B) This beneficial use program chapter establishes a regulatory framework for beneficial use of a beneficial use byproduct and contains definitions, exclusions, and authorization and permit procedures applicable to the beneficial use of a beneficial use byproduct.
- (C) When a beneficial use byproduct has been managed and beneficially used in accordance with this chapter, the beneficial use byproduct that has been beneficially used is not a solid waste under Chapter 3734. of the Revised Code.
- (D) Compliance with this chapter, or permits authorized hereunder, does not relieve any person of obligations under state or federal laws and rules.
