**(B) Implementation.**

- (1) The owner or operator of a sanitary landfill facility shall execute and fund the post-closure care financial assurance instrument submitted as a part of a permit to install prior to receipt of solid waste at a new sanitary landfill facility, a modification that increases post-closure care cost estimates of an existing sanitary landfill facility, or prior to issuance of a permit to install for which an application was submitted in response to division (A)(3) or (A)(4) of section 3734.05 of the Revised Code.
- (2) The owner or operator of sanitary landfill facilities subject to paragraph (A) of rule 3745-27-11, 3745-29-11, or 3745-30-09 of the Administrative Code, as applicable, shall execute and fund the post-closure care financial assurance instrument ~~with~~not later than sixty days ~~of~~after approval of the final closure/post-closure care plan.

**(C) Post-closure care financial assurance instrument.The**

~~The~~ post-closure care financial assurance instrument shall contain an itemized

written estimate, in current dollars, of the cost of post-closure care for the sanitary landfill facility in accordance with rule 3745-27-14, 3745-29-14, or 3745-30-10 of the Administrative Code, as applicable, or for a scrap tire monofill facility in accordance with rule 3745-27-74 of the Administrative Code. The estimate shall be based on a third party conducting the post-closure care activities. Ohio EPA may review, approve, ~~and/or~~ require revisions to the post-closure care cost estimate ~~and/or~~ to the post-closure care financial assurance instrument.

(D) Review of post-closure care financial assurance instruments. The owner or operator of a sanitary landfill facility shall submit to the director, by certified mail or any other form of mail accompanied by a receipt, the most recently adjusted post-closure care cost estimate prepared in accordance with ~~this paragraph~~ the following:

(1) The owner or operator of a sanitary landfill facility shall annually review and analyze the post-closure care cost estimate and shall make any appropriate revisions to these estimates and to the financial assurance instrument whenever a change in the post-closure care activities increases the cost of post-closure care. Any revised post-closure care cost estimate must be adjusted for inflation as specified in paragraph (D)(2) of this rule.

(2) The owner or operator of a sanitary landfill facility shall annually adjust the post-closure care cost estimate for inflation. The adjustment shall be made as specified in this paragraph, using ~~an~~ the preceding February inflation factor derived from the annual implicit price deflator for gross domestic product as published by the U.S. department of commerce ~~in its February issue of "Survey of Current Business."~~ The inflation factor is the result of dividing the latest published annual deflator by the deflator for the previous year.

(a) The first adjustment is made by multiplying the post-closure care cost estimate by the inflation factor. The result is the adjusted post-closure care cost estimate.

(b) Subsequent adjustments are made by multiplying the most recently adjusted post-closure care cost estimate by the most recent inflation factor.

(E) The owner or operator of a sanitary landfill facility shall select a post-closure care financial assurance mechanism from the list of mechanisms specified in paragraph (F), (G), (H), (I), (J), (K), or (L) of this rule, except as otherwise specified by this rule, provided the owner or operator satisfies the criteria for use of that mechanism.

(F) Post-closure care trust fund.

- (1) The owner or operator may satisfy the requirements of this rule by establishing a post-closure care trust fund which conforms to ~~the requirements of~~ this paragraph and by sending an originally signed duplicate of the trust agreement to the director within the time period outlined in paragraph (B) of this rule. The trustee shall be an entity that has the authority to act as a trustee and which trust operations are regulated and examined by a federal or state agency.
- (2) The wording of the trust agreement shall be identical to the wording specified in paragraph (A)(1) of rule 3745-27-17 of the Administrative Code on forms prescribed by the director and the trust agreement shall be accompanied by a formal certification of acknowledgment. Schedule A of the trust agreement shall be updated not later than sixty days after a change in the amount of the current post-closure care cost estimate provided for in the agreement.
- (3) A post-closure care trust fund shall be established to secure an amount at least equal to the current post-closure care cost estimate, except as provided in paragraph (M) of this rule. Payments to the trust fund shall be made annually, except as permitted by paragraph (F)(4) of this rule, by the owner or operator over the term of the applicable authorizing document, including permit to install, or plan approval, and shall be based on the authorized maximum daily waste receipt and the approved volume of the sanitary landfill facility; this period is hereafter referred to as the pay-in period. The first payment into the post-closure care trust fund shall be made in accordance with paragraph (B) of this rule. Subsequent payments to the post-closure care trust fund shall be made as follows:
  - (a) A receipt from the trustee for each payment shall be submitted by the owner or operator to the director. The first payment shall be at least equal to the current post-closure care cost estimate divided by the number of years in the pay-in period, except as provided in paragraph (M) of this rule. Subsequent payments shall be made not later than thirty days after each anniversary date of the first payment. The amount of each subsequent payment shall be determined by performing the following calculation:

$$\text{Next payment} = (\text{CE} - \text{CV}) / \text{Y}$$

Where CE is the current post-closure care cost estimate, CV is the current value of the trust fund, and Y is the number of years remaining in the pay-in period.

- (b) If the owner or operator establishes a trust fund, as specified in this rule, and the value of the trust fund is less than any revised current post-closure care cost estimate made during the pay-in period, the amount of the current post-closure care cost estimate still to be paid into the trust fund shall be paid in over the pay-in period, as defined in paragraph (F)(3) of this rule. Payments shall continue to be made not later than thirty days after each anniversary date of the first payment pursuant to paragraph (F)(3)(a) of this rule. The amount of each payment shall be determined by performing the following calculation:

$$\text{Next payment} = (\text{CE} - \text{CV}) / Y$$

Where CE is the current post-closure care cost estimate, CV is the current value of the trust fund, and Y is the number of years remaining in the pay-in period.

- (c) The owner or operator may make the first installment required under paragraph (F)(3)(a) or (F)(3)(b) of this rule by providing alternate financial insurance using one of the mechanisms specified in paragraph (G), (I), or (J) of this rule in an amount at least equal to the first installment. On the anniversary date of the first installment, the owner or operator shall pay into the trust an amount at least equal to the first and second installments required under paragraph (F)(3)(a) or (F)(3)(b) of this rule or select an alternate financial assurance mechanism.
- (4) The owner or operator may accelerate payments into the trust fund or the owner or operator may deposit the full amount of the current post-closure care cost estimate at the time the fund is established. However, the owner or operator shall maintain the value of the fund at no less than the value the fund would have if annual payments were made as specified in paragraph (F)(3) of this rule.
- (5) If the owner or operator establishes a post-closure care trust fund after having begun funding post-closure care under any ~~mechanism(s)~~mechanisms specified in this rule, the post-closure care trust fund shall be established by depositing the total value of all prior mechanisms into the newly established trust fund. The subsequent annual payments shall be made as specified in paragraph (F)(3) of this rule.
- (6) After the pay-in period of a trust fund has ended and the current post-closure care cost estimate changes, the owner or operator shall compare the revised estimate to the trustee's most recent annual valuation of the trust fund. If the value of the trust fund is less than the amount of the revised estimate, the

owner or operator shall, not later than sixty days after the change in the cost estimate, either deposit a sufficient amount into the trust fund so that its value after payment at least equals the amount of the current post-closure care cost estimate, or obtain alternate financial assurance as specified in this rule to compensate for the difference.

(7) The director shall instruct the trustee to release to the owner or operator such funds as the director specifies in writing, after receiving one of the following requests from the owner or operator for a release of funds:

(a) The owner or operator may submit a written request to the director for the release of the amount in excess of the current post-closure care cost estimate, if the value of the trust fund is greater than the total amount of the current post-closure care cost estimate.

(b) The owner or operator may submit a written request to the director for release of the amount in the trust fund that exceeds the amount required as a result of such substitution, if the owner or operator substitutes any of the alternate financial assurance ~~mechanism(s)~~mechanisms specified in this rule for all or part of the trust fund.

(8) Reimbursement for post-closure care at sanitary landfill facilities.

After beginning post-closure care, the owner or operator, or any other person authorized by the owner, operator, or director to perform post-closure care, may request reimbursement for post-closure care expenditures by submitting itemized bills to the director. After receiving itemized bills for post-closure care activities, the director shall determine whether the post-closure care expenditures are in accordance with the final closure/post-closure care plan, permit requirements, and applicable rules, or are otherwise justified, and if so, will instruct the trustee to make reimbursement in such amounts as the director specifies in writing. If the director determines that the cost of post-closure care will be greater than the value of the trust fund, ~~he~~the director may withhold reimbursement of such amounts as he deems prudent until he determines, in accordance with paragraph (O) of this rule, that the owner or operator is no longer required to maintain financial assurance for post-closure care of the facility.

(9) The director will agree to termination of a trust when one of the following occurs:

(a) The owner or operator substitutes alternate financial assurance for post-closure care as specified in paragraph (F)(6) of this rule.

- (b) The director notifies the owner or operator, in accordance with paragraph (O) of this rule, that the owner or operator is no longer required by this rule to maintain financial assurance for post-closure care of the facility.

(G) Surety bond guaranteeing payment into a post-closure care trust fund.

- (1) The owner or operator may satisfy the requirements of this rule by obtaining a surety bond which conforms to ~~the requirements of~~ this paragraph and by delivering the originally signed bond to the director by certified mail or any other form of mail accompanied by a receipt within the time period outlined in paragraphs (A) and (B) of this rule by submitting a copy of the bond into the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable.

The surety company issuing the bond shall, at a minimum, be among those listed as acceptable sureties on federal bonds in "Circular 570" of the U.S. department of treasury.

~~{Comment: "Circular 570" is published in the "Federal Register" annually on the first day of July; interim changes in the circular are also published in the "Federal Register."}~~

- (2) The wording of the surety bond shall be identical to in paragraph (B) of rule 3745-27-17 of the Administrative Code on forms prescribed by the director.
- (3) The owner or operator who uses a surety bond to satisfy ~~the requirements of~~ this rule shall also establish a standby trust fund not later than when the bond is obtained. Under the terms of the surety bond, all payments made thereunder will be deposited by the surety directly into the standby trust fund in accordance with instructions from the director. This standby trust fund shall meet the requirements specified in paragraph (F) of this rule, except ~~that~~ as follows:
  - (a) An originally signed duplicate of the trust agreement shall be delivered to the director with the surety bond and placed in the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable.
  - (b) Until the standby trust fund is funded, pursuant to the requirements of this rule, the following are not required:
    - (i) Payments into the trust fund as specified in paragraph (F) of this

rule.

  - (b) Funds the standby trust fund in an amount equal to the penal sum of the bond not later than fifteen days after a mandatory final closure requirement in accordance with the final closure/post-closure care plan, permit requirements, and applicable rules.
  - (c) Provides alternate financial assurance as specified in this rule, and obtain the director's written approval of the alternate financial assurance provided, not later than ninety days after both the owner or operator and the director receive notice of cancellation of the bond from the surety.
- (5) Under the terms of the bond, the surety shall become liable on the bond obligation when the owner or operator fails to perform as guaranteed by the bond.
- (6) The penal sum of the bond shall be in an amount at least equal to the current post-closure care cost estimate except as provided in paragraph (M) of this rule.
- (7) Whenever the current post-closure care cost estimate increases to an amount greater than the penal sum of the bond, the owner or operator shall, not later than sixty days after the increase in the estimate, either cause the penal sum of the bond to be increased to an amount at least equal to the current post-closure care cost estimate and submit evidence of such increase to the director, and into the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable, or obtain alternate financial assurance, as specified in this rule, to compensate for the increase. Whenever the current

post-closure care cost estimate decreases, the penal sum may be reduced to the amount of the current post-closure care cost estimate following written approval by the director. Notice of an increase or a proposed decrease in the penal sum shall be sent to the director not later than sixty days after the change.

- (8) Under the terms of the bond, the bond shall remain in force unless the surety sends written notice of cancellation by certified mail or any other form of mail accompanied by a receipt to the owner or operator and to the director. Cancellation cannot occur, however, during the one hundred twenty day period beginning on the first day that both the owner or operator and the director have received the notice of cancellation, as evidenced by the return receipts.

The surety company issuing the bond shall, at a minimum, be among those listed as acceptable sureties on federal bonds in "Circular 570" of the U.S. department of the treasury.

~~{Comment: "Circular 570" is published in the "Federal Register" annually on the first day of July; interim changes in the circular are also published in the "Federal Register."}~~

- (2) The wording of the surety bond shall be identical to the wording specified in

- (a) Performs post-closure care in accordance with the final closure/post-closure plan, and applicable rules, and other requirements of the permit or registration.
  - (b) Provides alternate financial assurance as specified in this rule, and obtains the director's written approval of the alternate financial assurance provided, not later than ninety days after both the owner or operator and the director receives notice of cancellation of the bond from the surety.

- (5) Under the terms of the bond, the surety will become liable on the bond obligation when the owner or operator fails to perform as guaranteed by the bond. Following a determination by the director that the owner or operator of the solid waste facility has failed to perform post-closure care activities in accordance with the final closure/post-closure plan, applicable rules, and permit requirements, the surety shall perform post-closure care in accordance with the final closure/post-plan and permit requirements, or applicable rules, or will deposit the amount of the penal sum into the standby trust fund.

(I) Post-closure care letter of credit.

- (1) The owner or operator may satisfy ~~the requirements of~~ this rule by obtaining an irrevocable standby letter of credit ("letter of credit") which conforms to ~~the requirements of~~ this paragraph and by having the originally signed letter of credit delivered to the director by certified mail or any other form of mail accompanied by a receipt within the time period outlined in paragraphs (A) and (B) of this rule and by submitting a copy of the letter of credit into the operating record of the facility in accordance with rule 3745-27-09 of the Administrative Code, if applicable. Under the terms of the letter of credit, all amounts paid pursuant to a draft by the director shall be deposited promptly and directly by the issuing institution into the standby trust fund in accordance with instructions from the director. The standby trust fund shall meet the requirements of the trust fund specified in paragraph (F) of this rule, except ~~that~~ as follows:
- (a) An originally signed duplicate of the trust agreement shall be delivered to the director with the letter of credit, and a copy of the letter placed in the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable.
- (b) Unless the standby trust fund is funded pursuant to ~~the requirements of~~ this rule, the following are not required:

- (i) Payments into the trust fund as specified in paragraph (F) of this rule.
  - (ii) Updating of Schedule A of the trust agreement to show current post-closure care cost estimate.
  - (iii) Annual valuations as required by the trust agreement.
  - (iv) Notices of nonpayment as required by the trust agreement.
- (4) The letter of credit shall be accompanied by a letter from the owner or operator referring to the letter of credit by number, issuing institution, and date, and providing the following information: the names and addresses of the solid waste facility and the owner and the operator and the amount of funds assured for post-closure care of the facility by the letter of credit.
- (5) The letter of credit shall be irrevocable and issued for a period of at least one year. The letter of credit shall provide that the expiration date will be automatically extended for a period of at least one year unless, at least one hundred twenty days prior to the current expiration date, the issuing institution notifies both the owner and operator and the director by certified mail or any other form of mail accompanied by a receipt of a decision not to extend the expiration date. Under the terms of the letter of credit, the one hundred twenty day period shall begin on the day when both the owner or operator and the director have received the notice, as evidenced by the return receipts.
- (6) The letter of credit shall be issued in an amount at least equal to the current post-closure care cost estimate, except as provided in paragraph (M) of this rule.
- (7) Whenever the current post-closure care cost estimate increases to an amount greater than the amount of the credit, the owner or operator shall, not later than sixty days after this increase, either cause the amount of the credit to be increased to an amount at least equal to the current post-closure care cost estimate and submit evidence of such increase to the director, and into the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable, or obtain alternate financial assurance, as specified in this rule, to compensate for the increase. Whenever the current post-closure care cost estimate decreases, the letter of credit may be reduced to the amount of the current post-closure care cost estimate following written approval by the director. Notice of an increase or a proposed decrease in the amount of the

letter of credit shall be sent to the director by certified mail or any other form of mail accompanied by a receipt not later than sixty days after the change.

(8) Under the terms of the letter of credit, the director may draw on the letter of credit following a determination that the owner or operator has failed to do either of the following:

(a) Perform post-closure care activities in accordance with the final closure/post-closure care plan, permit requirements, and applicable rules.

(b) Provide alternate financial assurance as specified in this rule and obtain written approval of such alternate financial assurance from the director not later than ninety days after the owner or operator and the director have received notice from the issuing institution that it will not extend the letter of credit beyond the current expiration date, the director shall draw on the letter of credit. The director may delay the drawing if the issuing institution grants an extension of the term of the credit. During the final thirty days of any such extension the director shall draw on the letter of credit if the owner or operator has failed to provide alternate financial assurance as specified in this rule and has failed to obtain written approval of such alternate financial assurance from the director.

(9) The director shall return the original letter of credit to the issuing institution for termination when either of the following occur:

(a) The owner or operator substitutes alternate financial assurance for post-closure care as specified in this rule.

(b) The director notifies the owner or operator, in accordance with paragraph (O) of this rule that the owner or operator is no longer required to maintain financial assurance for post-closure care of the facility.

(J) Post-closure care insurance.

(1) The owner or operator may satisfy ~~the requirements of~~ this rule by obtaining post-closure care insurance which conforms to the requirements of this paragraph and by submitting a originally certificate of such insurance to the director by certified mail or any other form of mail accompanied by a receipt within the time period outlined in paragraphs (A) and (B) of this rule, and by submitting a copy of the certificate of insurance into the operating record of the facility in accordance with rule 3745-27-09 of the Administrative Code, if

applicable. At a minimum, the insurer shall be licensed to transact the business of insurance, or eligible to provide insurance as an excess or surplus lines insurer, in one or more states.

- (2) The wording of the certificate of insurance shall be identical to the wording specified in paragraph (E) of rule 3745-27-17 of the Administrative Code on forms prescribed by the director.
- (3) The post-closure care insurance policy shall be issued for a face amount at least equal to the current post-closure care cost estimate except as provided in paragraph (M) of this rule. Face amount means the total amount the insurer is obligated to pay under the policy. Actual payments by the insurer will not change the face amount, although the insurer's future liability will be lowered by the amount of the payments.
- (4) The post-closure care insurance policy shall guarantee that funds will be available to perform post-closure care whenever mandated. The policy shall also guarantee that once post-closure care begins, the insurer will be responsible for paying out funds, up to an amount equal to the face amount of the policy, upon the direction of the director, to such party or parties as the director specifies.
- (5) Reimbursement for post-closure care.

After beginning post-closure care, the owner or operator, or any other person authorized by the owner, operator, or director to perform post-closure care, may request reimbursement for post-closure care expenditures by submitting itemized bills to the director. After receiving itemized bills for post-closure care activities, the director shall determine whether the post-closure care expenditures are in accordance with rule 3745-27-14, 3745-29-14, or 3745-30-10 of the Administrative Code, as applicable, and the final closure/post-closure plan, applicable rules, the permit, ~~and/or~~ are otherwise justified, and if so, shall instruct the insurer to make reimbursement in such amounts as the director specifies in writing. If the director has reason to believe that the cost of post-closure care will be greater than the face amount of the policy, ~~he~~ the director may withhold reimbursement of such amounts as he deems prudent until he determines, in accordance with paragraph (O) of this rule, that the owner or operator is no longer required to maintain financial assurance for post-closure care of the facility.

- (6) The owner or operator shall maintain the policy in full force and effect until the director consents to termination of the policy by the owner or operator as specified in paragraph (J)(8) of this rule. Failure to pay the premium, without substitution of alternate financial assurance as specified in this rule, will

constitute a violation of these rules, warranting such remedy as the director deems necessary. Such violation shall be deemed to begin upon receipt by the director of a notice of future cancellation, termination, or failure to renew due to nonpayment of the premium, rather than upon the date of expiration.

- (7) Each policy shall contain a provision allowing assignment of the policy to a successor owner or operator. Such assignment may be conditional upon consent of the insurer, provided such consent is not unreasonably refused.
- (8) The policy shall provide that the insurer may not cancel, terminate, or fail to renew the policy except for failure to pay the premium. The automatic renewal of the policy shall, at a minimum, provide the insured with the option of renewal at the face amount of the expiring policy. If there is a failure to pay the premium, the insurer may elect to cancel, terminate, or fail to renew the policy by sending notice by certified mail or any other form of mail accompanied by a receipt to the owner or operator and to the director. Cancellation, termination, or failure to renew may not occur, and the policy will remain in full force and effect unless on or before the date of expiration:
  - (a) Post-closure care activities required in the final closure/post-closure care plan, permit requirements, and applicable rules have occurred.
  - (b) Post-closure care of the facility is ordered by the director or a court of competent jurisdiction.
  - (c) The owner or operator is named as debtor in a voluntary or involuntary proceeding under title 11 (bankruptcy), U.S. Code.
  - (d) The premium due is paid.
- (9) Whenever the current post-closure care cost estimate increases to an amount greater than the face amount of the policy, the owner or operator shall, not later than sixty days after the increase, either cause the face amount to be increased to an amount at least equal to the current post-closure care cost estimate and submit evidence of such increase to the director, and into the operating record in accordance with rule 3745-27-09 of the Administrative Code, if applicable, or obtain alternate financial assurance as specified in this rule to compensate for the increase. Whenever the current post-closure care cost estimate decreases, the face amount may be reduced to the amount of the current post-closure care cost estimate following written approval by the director.

(10) The director will give written consent to the owner or operator that owner or operator may terminate the insurance policy when either of the following occurs:

(a) The owner or operator substitutes alternate financial assurance for post-closure care as specified in this rule.

(b) The director notifies the owner or operator, in accordance with paragraph (O) of this rule that owner or operator is no longer required to maintain financial assurance for post-closure care of the facility.

(K) Financial test and corporate guarantee for post-closure care.

(1) The owner or operator may satisfy ~~the requirements~~ of this rule by demonstrating that the owner or operator passes a financial test as specified in this paragraph. To pass this test the owner or operator shall demonstrate that less than fifty per cent of the parent corporation's gross revenues are derived from solid waste disposal, solid waste transfer facility operations, or scrap tire transporter operations, or if there is no parent corporation, the owner or operator shall demonstrate that less than fifty per cent of its gross revenues are derived from solid waste facility, solid waste transfer facility, or scrap tire transporter operations and either:
