Certification fees.

(A) Applicants for facility operator and inspector certifications or for renewals of facility operator and inspector certification to be issued by the director shall pay a fee to Ohio EPA for each application, certification course, and examination. Fees shall be designed and assessed to applicants to defray the costs associated with the program and shall not exceed actual costs.

(B) Applications for certification or renewal shall not be considered by Ohio EPA until all fees are paid in full.

(C) All fees are non-refundable and shall not be prorated.
