**Re: Evergreen Recycling and Disposal Facility, Wood County  
Ohio Administrative Code (OAC) Rule 3745-27-10(C)(7)(g) Approval**

Dear Mr. Lonneman:

On December 9, 2009, the Ohio Environmental Protection Agency (Ohio EPA), Division of Solid and Infectious Waste Management (DSIWM), Northwest District Office (NWDO) received a document titled "Statistical Analysis Program For Ground-Water Quality Monitoring, Evergreen Recycling and Disposal Facility, Wood County, Ohio", dated December 7, 2009, for the Evergreen Recycling and Disposal Facility (Facility). This document was submitted by Eagon & Associates, Inc. on behalf of the owner/operator. The submittal contained a request to add previously-determined statistically significant increases to the background database pursuant to OAC Rule 3745-27-10(C)(7)(g). The data associated with the request includes: alkalinity at well MW-16UT; ammonia at wells MW-16UT, MW-19UT, MW-20, and MW-21UT; chloride at wells MW-18UT, MW-19UT, MW-20UT, MW21-UT, and MW-22UT; and sodium at well MW-22UT.

Pursuant to OAC Rule 3745-27-10(C)(7)(g), background data can only be added in blocks of data resulting from the analysis of four or more statistically independent samples after the data have been statistically compared to current background data and no statistical differences are detected, unless another method is deemed acceptable by the director.

Ohio EPA has reviewed the information provided and concurs that this data can be added to the background data group. Therefore, pursuant to OAC Rule 3745-27-10(C)(7)(g), the owner or operator is hereby authorized to update the background database for alkalinity at well MW-16UT; ammonia at wells MW-16UT, MW-19UT, MW-20, and MW-21UT; chloride at wells MW-18UT, MW-19UT, MW-20UT, MW21-UT, and MW-22UT; and sodium at well MW-22UT.

Mr. Steve Lonneman, District Manager

A detailed account of Ohio EPA's review of the ground water request will be sent to you under separate cover.

You are hereby notified that this action of the Director is final and may be appealed to the Environmental Review Appeals Commission pursuant to Section 3745.04 of the Ohio Revised Code. The appeal must be in writing and set forth the action complained of and the grounds upon which the appeal is based. The appeal must be filed with the Commission within thirty (30) days after notice of the Director's action. The appeal must be accompanied by a filing fee of \$70.00, made payable to "Ohio Treasurer Kevin Boyce," which the Commission, in its discretion, may reduce if by affidavit you demonstrate that payment of the full amount of the fee would cause extreme hardship. Notice of the filing of the appeal shall be filed with the Director within three (3) days of filing with the Commission. Ohio EPA requests that a copy of the appeal be served upon the Ohio Attorney General's Office, Environmental Enforcement Section. An appeal may be filed with the Environmental Review Appeals Commission at the following address:

Environmental Review Appeals Commission  
309 South Fourth Street, Room 222  
Columbus, Ohio 43215

If you have any questions concerning this letter, please contact Brent M. Goetz of Ohio EPA, NWDO at (419) 373-4114.

Sincerely,

Shannon Nabors, Chief  
Northwest District Office  
for Chris Korleski, Director
