John Mack & Mick Micacchion 10:10 - 11:00
3. **Group Discussion - Should Ohio EPA Include "Enforcement" Provisions in the Rules, and if so, What?**
Randy Bournique 11:00 - 11:45
4. **Lunch** 11:45 - 12:30
6. **Group Discussion - The Next Steps**
Randy Bournique 12:00 - 12:30
 - a. Upon completion of the workgroup meetings, DSW will revise the proposed rules, considering the comments and input received.
 - b. The redrafting process is anticipated to be completed by March 30, 2008.
 - c. The revised draft rules will be sent to each of the workgroup members and a followup meeting of the workgroup will be scheduled to review the changes made.
 - d. Fiscal analysis will be conducted on the revised rule.
 - e. Redrafted rule package will be submitted for interested party review or JCARR review, as appropriate.
7. **Group Discussion - Cost Analysis/Financial Assessment**
Randy Bournique 12:30 - 2:30
 - a. How many scenarios should be considered?
 - b. What level of detail is required within the scenarios?
 - c. Is there information needed that will be considered confidential?
 - d. Can a checklist format be used and what information would the checklist require?
 - e. Volunteers to provide input?
8. **Clean Up and Adjourn - 2:30**
