Ohio EPA held an interested party comment period from June 23, 2016 to August 16, 2016 regarding the Water Quality Standards program beneficial use designation rules. This document summarizes the comments and questions received during the associated comment period.

Ohio EPA reviewed and considered all comments received during the public comment period. By law, Ohio EPA has authority to consider specific issues related to protection of the environment and public health.

In an effort to help you review this document, the questions are grouped by topic and organized in a consistent format. The name of the commenter follows the comment in parentheses.

Comment 1: Cleveland Metroparks is supportive of OEPA's current proposed action to allow Abram Creek to retain the Warmwater Habitat life use designation, as opposed to changing the designation to Modified Warmwater Habitat. We also sent comments in two letters to that effect. (Cleveland Metroparks)

Response 1: Comment acknowledged.
