Federal Section 319(h) Grant  
\$80,138 Federal  
\$65,010 Local Match

### Local Project Contact

Donna Bauman  
City of Reynoldsburg  
7232 East Main Street  
Reynoldsburg, Ohio 43068

### Environmental Results

Installed 1,100 square feet of  
pervious pavers

Installed 700 square feet of  
community rain garden

Installed one treatment train  
that takes water from the  
parking lot, sheet flows to  
the pervious pavers, while  
roof runoff is piped  
underground to the area  
under the pavers to the new  
bio-infiltration area

Conducted project specific  
education and outreach

Division of Surface Water  
Nonpoint Source Program  
614-644-2020
