

Ohio University Voinovich School's Consortium for Energy, Economics & the Environment (CE3) presents:

A WORKSHOP FOR EFFICIENCY, EMISSIONS AND ENERGY CHOICES IN OHIO

Friday, September 27, 2013

8:00 AM – 3:30 PM

Quest Conference Center

8405 Pulsar Place, Columbus, Ohio 43240

Registration fee: \$35.00

Register now at www.ohio.edu/ce3/ghgrp!

Building upon the state and federal momentum in energy efficiency, this one-day workshop will explore how efficiency measures can help Ohio businesses achieve their energy cost-savings and emissions goals. Two concurrent workshop tracks will address the diversity of Ohio's energy resources and industries: 1) Efficiency & Emissions and 2) Shale Energy Emissions.

Cincinnati native U.S. Senator Rob Portman will serve as the morning keynote speaker to address the exciting progress made on the *Energy Savings and Industrial Competitiveness Act* he has co-sponsored with Sen. Jeanne Shaheen (NH). This bipartisan bill will help drive growth in the energy efficiency sector in Ohio and nationwide. Additional expert speakers, many from companies operating in Ohio, such as Cooper Tire, Eaton, Owens Corning, Parker Hannifin, US Steel and more, will present on practical topics such as:

- The Corporate Case for Reducing Energy Use
- Energy Projects at Ohio's Manufacturers
- Shale and Fugitive Emissions: Impacts on Non-Attainment and Growth
- How Natural Gas is Changing Ohio Manufacturing
- U.S. EPA's Greenhouse Gas Reporting Program: Impacts on Ohio
- Energy Efficiency Finance Techniques, Developments & Options

If you have a stake in Ohio's energy future, join us to advance the discussion about real-world issues affecting Ohio industry. Register now to reserve your spot at www.ohio.edu/ce3/ghgrp!

Interested in sponsoring the workshop? Click [here](#) to view the sponsorship flyer, or contact Elissa Welch at welche@ohio.edu or 740-537-0112.
