

# PROOF OF RECYCLING

www.OhioApplianceRebate.com

Proof of recycling is established when the retailer, contractor, delivery service provider or recycling facility provides a receipt that demonstrates a customer's action to replace an old appliance. This form may be used in place of a recycling receipt provided by the retailer, contractor, delivery service provider, or recycling facility to establish proof of recycling.

This form should be completed by the recycling facility, haul-away service provider, or appliance installer and given to the customer at the time the used appliance is accepted from the customer.
