

## **Alternative Fuel Vehicle Conversion Grant Program New Grant Awards May 2018**

*Since the March 20, 2018, application period opened, Ohio EPA has received 26 complete applications for eligible projects. Ohio EPA has awarded \$3,949,968.86 in grants to pay a portion of the cost of 196 new heavy duty alternative fuel vehicles, including 39 propane school buses, 2 compressed natural gas (CNG) school buses, 41 CNG transit buses, 90 CNG refuse trucks, 2 CNG tractor trucks, 18 LNG tractor trucks and 4 CNG plow/dump trucks. These grants are supported with state dollars from the Alternative Fuel Transportation Fund of the Ohio Developmental Services Agency. Approximately \$1 million is still available, and Ohio EPA will continue to accept and review applications in the order received until all available funds have been allocated.*
