

# Ohio Environmental Education Fund

*Supporting environmental education projects that increase the public's awareness and understanding of environmental issues.*

Ohio Environmental Education Fund (OEEF) grants provide up to \$50,000 for programs that:

- help small businesses and farmers understand environmental regulations;
- teach Ohio residents what they can do to protect Ohio's air, water and land;
- provide science supplies and opportunities for Ohio students to monitor air and water quality, explore careers and interact with professional scientists and engineers working to solve environmental problems.

## Education funding priority topics:

- Innovative storm water management
- Reducing air emissions
- Encouraging habitat restoration
- Reducing nutrient pollution in rivers and streams

## Grant amounts and duration:

\$500 - \$50,000  
24 months to complete

## Application Deadlines

Electronic Letter of Intent to Apply	Jan. 8, 5 p.m.
