

# Wonders & Woes OF WATER

THE SWCD MULTI-COUNTY  
EDUCATORS WORKSHOP  
AUGUST 3-4, 2016

## THIS YEAR, WE TAKE TO THE LAKE!

We'll cover lake and wetland ecology, habitat, water quality issues, invasive species and the challenges that face Lake Loramie specifically and how these same concerns and challenges affect all populations (of humans as well as local flora and fauna) living so close to the waters edge.

Prepare yourself for an informative but FUN two day workshop that will again include activities and resources for grades K-12 and will align with the Ohio Academic Standards focusing on curriculum from PROJECT WET and HEALTHY WATER HEALTHY PEOPLE. In addition to getting you on the water in pontoon boats as well as in and around the water, we'll have great local speakers along with reps from Ohio EPA and ODNR! WE HOPE TO SEE YOU AT THE LAKE!

**SHELBY SWCD-Lynda Adams**  
937/492-6520 ext. 117  
Lynda.adams@oh.nacdnet.net

**Montgomery SWCD-Kristen Lauer**
