Biographical Profile

Donald A. Fay, C.P.

Don Fay is a remediation practice leader and vice president with TRC in Cincinnati, Ohio. He is a geologist with 25 years experience in environmental consulting and is a Certified Professional for Ohio EPA's Voluntary Action Program. He has served as C.P. or project manager for sixteen properties that have obtained VAP Covenants Not-to-Sue.

Don specializes in evaluating and managing environmental risks associated with brownfield redevelopment, voluntary and agency-enforced cleanup programs, and business transactions. He has assisted clients with obtaining or implementing more than \$20 million in grant-funded assessment and remediation of brownfields. Don has also served as an expert witness in environmental litigations, including brownfield redevelopment disputes and cost recovery actions.

Don received both his bachelor's and master's degrees in geology from Miami University and has continued his education in hydrogeology, risk assessment and business. He is a registered professional geologist in Indiana, Kentucky, Pennsylvania and Tennessee.
