RE: 2009 SLAMS PM_{2.5} and Ozone Data Certification

Dear Ms. Newton:

Please find enclosed our SLAMS Report (AMP-450, AMP-450NC and AMP-255) for calendar year 2009 as required in 40 CFR, Part 58, Section 58.15. The ambient concentration and the quality assurance data have been completely submitted to the AQS database.

The remaining criteria pollutant data will be certified within the month of April.

I certify that the Ozone and PM_{2.5} data in the report are accurate to the best of our knowledge taking into consideration the quality assurance findings and only to the extent of the activities performed by Ohio EPA.

There were no incidents of air pollution that reached or exceeded levels as specified by Section 51.151 which could cause significant harm to the health of persons.

Sincerely,

Robert Hodanbosi
Chief, Division of Air Pollution Control

Enclosure

Ted Strickland, Governor
Lee Fisher, Lieutenant Governor
Chris Korleski, Director
