

EP-30-04 Permit to Install Applications.

- (A) Applications for Permits to Install required under EP-30-02 shall contain such information as the Director deems necessary and shall be made on forms prepared by the Ohio EPA.
- (B) Applications for Permits to Install shall be signed by the general contractor or agent performing the installation or modification, if selected at the time an application is filed, and by the corporate President, or Vice President reporting directly to the President, or highest ranking corporate officer with offices located in the State having overall administrative responsibility for the source of air pollutants, treatment works, or solid waste disposal facility; or by an equivalently responsible officer in the case of organizations other than corporations; or, in other cases, by the owner or operator of the source of air pollutants, treatment works, or solid waste disposal facility; or, in the case of political subdivisions, by the highest elected official of such subdivision. Such signatures shall constitute personal affirmation that the statements made in the application are true and complete, complying fully with applicable state requirements, and shall subject the responsible officials to liability under applicable state laws forbidding false or misleading statements.
- (C) The signatures shall constitute an agreement that the signers shall assume responsibility for compliance with the requirements of the Permit to Install and all applicable laws.

(Former regulations AP-9-01 and AP-9-02, adopted July 24, 1972, and effective August 7, 1972, are repealed.)

(Adopted November 30, 1973, effective January 1, 1974.)
