Draft Five-Year Rule Review of Ohio Administrative Code (OAC) Rules
3750-15-(01, 02, 05, 10), 3750-25-(12, 13, 20), 3750-30-(15, 25, 27), 3750-50-(01, 07, 08, 09, 15, 25),
3750-80-(01-03), and 3750-85-(01-03)

Notice is hereby given that, on behalf of the director of the State Emergency Response Commission (SERC), and in accordance with Ohio Revised Code (ORC) 106.31 (5-year rule review), the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has reviewed the following rules contained in the Ohio Administrative Code (OAC); 3750-15-01, 3750-15-02, 3750-15-10, 3750-25-12, 3750-25-13, 3750-25-20, 3750-30-25, 3750-50-01, 3750-50-07, 3750-50-08, 3750-50-09, 3750-50-15, 3750-50-25, 3750-80-01, 3750-80-02, 3750-80-03, 3750-85-01, 3750-85-02, and 3750-85-03. These rules cover basic administrative procedural matters, release reporting, establish filing fee schedule; and local variance request for use in the statewide program.

Our preliminary review indicates the above mentioned rules continue to be necessary and are without need for change.

As part of the rule-making process, DAPC and the SERC are required by Section 121.39 of the Ohio Revised Code to consult with organizations that represent political subdivisions, environmental interests, business interests, and others affected by the rules. The DAPC is offering your organization the opportunity to comment on these rules before the division formally proposes them.

These rules and a draft Business Impact Analysis are available electronically at <http://epa.ohio.gov/dapc/serc.aspx#122453394-rules> or at <http://epa.ohio.gov/dapc/DAPCrules.aspx#112742674-interested-party-review>. We request that you provide us with any comments you may have by Monday, November 30, 2015.

Please e-mail or mail your comments or suggestions to the following addresses. Persons submitting comments electronically are encouraged to follow-up with a hard copy via regular mail:
