MODERATOR McCARRON: Today's date is May 31, 2012. My name is Mary McCarron. I will be presiding over today's public hearing.

The purpose of the hearing today is to obtain comments from any interested person regarding Ohio EPA's proposed action.

The State of Ohio is requesting that the United States Environmental Protection Agency revise the current maintenance plan for the Cincinnati-Hamilton area, including Butler, Clermont, Clinton, Hamilton, and Warren counties with respect to the 1997 eight-hour ozone national ambient air quality standard.

Ohio EPA is requesting a revision to the maintenance plan to update mobile emission projections and conformity budgets based on the emission rates generated from US EPA's latest mobile emissions model, the Motor Vehicle Emission Simulation 2010.

All interested persons are entitled to attend and to be represented and to present oral and/or written comments concerning the proposed

1 action. All written and oral comments received
2 as part of the official record will be considered
3 by the director of Ohio EPA.

4 To be included on the official record,
5 written comments must be received by Ohio EPA by
6 the close of business today, May 31, 2012. All
7 comments submitted for the record will receive
8 the same consideration as any oral testimony.

9 At this time we have nobody present to
10 provide oral testimony, so we will go off the
11 record until 3:30.

12 (Break taken until 3:30 p.m.)

13 MODERATOR McCARRON: The time is now
14 3:30, and nobody has arrived to provide
15 testimony; so we will adjourn this hearing.

16 (Thereupon, at 3:30 p.m. on Thursday,
17 May 31, 2012, the public hearing was adjourned.)
