Dear Interested Parties:

On July 21, 1995, U.S. EPA issued a "White Paper" for purposes of simplifying the preparation and submittal of Title V permit applications. Ohio EPA participated with U.S. EPA in the development of the White Paper and encouraged the release of the document. Ohio EPA is in support of the White Paper and, to the extent possible, will incorporate those concepts into the operation of the Title V program in Ohio. Please call me if you have any questions on the application of the White Paper in Ohio.

Sincerely,

Robert F. Hodanbosi
