

2010 OPERATOR CERTIFICATION 2010 Examination Dates and Deadlines

Announcement of Examinations for Certification of Class A, I, II, and III Personnel

USE APPLICATION FORM EPA 4220 (Rev. 12/09). Applications must be completed in full. Only original signed applications will be accepted. Education and experience requirements for each exam are listed on the other side. **Failure to properly complete the application may result in disapproval.**

Applications may be obtained from our Web page at <http://epa.ohio.gov/ddagw/opcert.aspx> or Certification Unit, Ohio EPA, Lazarus Government Center, P. O. Box 1049, Columbus, Ohio 43216-1049, or by phone at (614) 644-2752 or (866) 411-6728.

Completed applications and a check or money order for the application fee, payable to "TREASURER, STATE OF OHIO," must be returned to Ohio EPA, Lazarus Government Center, Office of Fiscal Administration, P. O. Box 1049, Columbus, Ohio 43216-1049.

Any person applying for examination for certification as an operator shall pay an application fee at the same time their application is submitted. Upon notification of approval that the applicant is eligible to take the examination, the applicant must pay an examination fee. **All fees are non-refundable.**

In order to streamline the application and acceptance process, Ohio EPA encourages applicants to pay both the application and examination fee when submitting the exam application.

FREE Class A, Class I and Class II Water Supply examinations

In 2010, Ohio EPA will be using a portion of it's US EPA expense reimbursement grant to offer FREE exams to operators taking the Class A, Class I and Class II Water Supply examinations. The purpose of the expense reimbursement grant is to assist in the training and certification of operators for small public water systems.

During the 2010 exam cycle, individuals with a high school diploma or the equivalent may apply to take the Class A, Class I and II Water Supply examinations **free** of charge. Application and examination fees will be waived, but **exam applications are required** to be submitted by the posted application deadlines.

Applicants for wastewater and water distribution exams should submit fees.

All drinking water related applications must include a completed Declaration of Material Assistance (DMA) form. Forms may be obtained on the operator certification Web site listed above by clicking on the "DMA form" link.
