**No-Change Rules Governing the
Voluntary Action Program**

Interested Party Review

Notice is hereby given that the Ohio Environmental Protection Agency (Ohio EPA), Division of Environmental Response and Revitalization (DERR) has initiated an Interested Party Review of Ohio Administrative Code (OAC) rules 3745-300-03 and 3745-300-10. The intent of this rulemaking is to correct the next five-year rule review due date associated with the rules, and to file these rules as 'no-change'.

As part of the rule-making process, DERR is required by Section 121.39 of the Ohio Revised Code (ORC) to consult with organizations that represent political subdivisions, environmental interests, business interests, and others affected by the rules. DERR is offering you the opportunity to comment on these rules before the division formally proposes them.

These rules, the draft Business Impact Analysis (BIA) form, and supporting documentation are available electronically for review at: <http://epa.ohio.gov/derr/derrrules.aspx>. See the information under the interested party review tab. Please submit your comments or suggestions, no later than **October 18, 2016**, to:
