

On February 15, 2017, Ohio EPA’s hazardous waste management rules known as “Set N” were filed as final rules (adopted). **The effective date of the Set N rules is March 24, 2017.** The Set N rule list is below. These rules will soon be available at the [Register of Ohio](#), and will be added to the Ohio EPA’s [Division of Environmental Response and Revitalization website](#) on the “effective rules” page as soon as possible. In the future, a “Set N package” as well as the individual rules will be available to download from the [DERR website](#).

Please contact [Katherine Arthur](#) at 614/644-2932 if you have questions.
