

Ohio Brownfield Conference 2016 Reception

April 6, 2016 5:00-6:30 PM

As we have done at previous Ohio Brownfield Conferences, we will be having a reception in the Exhibit Area after the first day's sessions conclude. There will be a cash bar and we are asking any and all interested Exhibitors and any other interested parties to order snacks for the Reception. We are hoping several of you are interested in providing snacks for the reception as, per our ethics laws and executive orders, State of Ohio agencies cannot purchase food for events such as this conference.

If you order a snack for the reception, your name/firm's name will be displayed with the snack display. You may also ask our events manager to display it near your exhibit table if you are an exhibitor.
