

**PUBLIC NOTICE
OHIO ENVIRONMENTAL PROTECTION AGENCY
URBAN SETTING DESIGNATION FOR
FORMER PAXAR FACILITY, MIAMISBURG, MONTGOMERY COUNTY**

Public notice is hereby given that the Ohio Environmental Protection Agency (EPA) has received, on December 16, 2013, a request to approve an Urban Setting Designation (USD) for approximately 35.7 acres of land located just south of Miamisburg Centerville Rd, between Byers Rd. and Alexandersville Rd. This request was submitted by Sanborn, Head & Associates, Inc. on behalf of Avery Dennison Corporation.

Pursuant to Ohio Administrative Code 3745-300-10(D), Ohio's Voluntary Action Program (VAP) allows for the voluntary cleanup of contaminated property in Ohio without the risk of state civil liability. Under VAP, ground water cleanup is required where contaminated ground water poses risks to the community or environment.

A USD may be requested when there is no current or anticipated future use of ground water by local residents for drinking, showering, bathing or cooking. In these areas, an approved USD would lower the cost of cleanup and promote economic redevelopment while still protecting public health and safety.

The Ohio EPA director may approve the request for a USD based on a demonstration by the certified professional that the USD requirements are met and an evaluation of existing or future uses of ground water in the area have been assessed.

Comments regarding this request for USD must be received by the close of business on Friday, April 4, 2014. Please direct your comments by mail to Brianna Knoppow, 401 East Fifth Street, Dayton, OH 45402 or by email at Brianna.Knoppow@epa.ohio.gov. The USD application can be viewed by contacting Brianna Knoppow.
