

## **OAC 3745-57-72 Designation – Narrative for Newspaper**

Jackson County

### **PUBLIC NOTICE**

Proposed Designation of Corrective Action Management Units (CAMUs)

On October 28, 2014 the Director of the Ohio Environmental Protection Agency (Ohio EPA) received US DOE's *Proposed Plan for the Site-wide Waste Disposition Evaluation Project*, which included a request by the United States Department of Energy (US DOE) Portsmouth to designate two Corrective Action Management Units at the former Gaseous Diffusion Plant located in Piketon, Pike County, Ohio. A CAMU is an area within a hazardous waste facility used to implement more aggressive treatment, storage and/or disposal options than would otherwise be available. US DOE is proposing to designate a treatment, storage and disposal CAMU (i.e., on-Site Disposal Cell) and a storage and treatment CAMU. The complete public notice including instructions for requesting information on this Proposed Designation may be obtained at: <http://www.epa.ohio.gov/Actions.aspx>, or: Ohio EPA, PO Box 1049, 50 W. Town St. Columbus, Ohio 43216. Ph.: (614) 644-2129.

Comments will be accepted until January 10, 2015 and can be sent to: [derrcomments@epa.ohio.gov](mailto:derrcomments@epa.ohio.gov).

US DOE's request can be reviewed in Appendix C of the Proposed Plan for Waste Disposition. Additional information can be found in the "CAMU Supplement" to the Remedial Investigation/Feasibility Study for the Site-Wide Waste Disposition Evaluation Project (RI/FS). These documents are available for review at the DOE Environmental Information Center (EIC), 1862 Shyville Road, Room 207, Piketon, Ohio 45661, (740) 289-8898, the Jackson City Library, 21 Broadway Street, Jackson, Ohio 45640 (740) 286-4111, Ohio EPA's Southeast District Office, 2195 E. Front Street, Logan, Ohio 43138, (740) 385-8501 or on line at [www.pppo.energy.gov/dd](http://www.pppo.energy.gov/dd).

Pike County

### **PUBLIC NOTICE**

Ohio EPA is proposing to designate two areas at the United States Department of Energy's (US DOE) former Portsmouth Gaseous Diffusion Plant, located near Piketon, Pike County, Ohio as Corrective Action Management Units.

On October 28, 2014, the Director of the Ohio Environmental Protection Agency (Ohio EPA) received US DOE's *Proposed Plan for the Site-wide Waste Disposition Evaluation Project*, which included a request to designate two Corrective Action Management Units (CAMUs) pursuant to Ohio Administrative Code § 3745-57-72 at the former Portsmouth Gaseous Diffusion Plant, currently undergoing Decontamination and Decommissioning (D&D). A CAMU is an area within a hazardous waste facility used to implement more aggressive treatment, storage and/or disposal options than would otherwise be available. The designation request

involves US DOE establishing a storage, treatment and disposal CAMU (i.e., on-Site Disposal Cell) for internment of waste from the D&D project, and potentially other on-site remediation waste (e.g., contaminated soil) resulting from clean-up beyond the waste from the D&D project, and an additional CAMU for the storage and treatment of waste prior to internment in an on-Site Disposal Cell CAMU. The Proposed Designation would facilitate and expedite clean-up. Specific information regarding the Proposed CAMU Designations can be found in Appendix C of US DOE's *Proposed Plan for the Site-wide Waste Disposition Evaluation Project*. Additional information can be found in the "CAMU Supplement" to the Remedial Investigation/Feasibility Study for the Site-Wide Waste Disposition Evaluation Project (RI/FS).

Ohio EPA will accept written comments through January 10, 2015. Anyone may submit written comments on the Proposed Designation by writing to: Maria Galanti, Site Coordinator, Ohio EPA, Southeast District Office, 2195 E. Front Street, Logan, Ohio 43138. Comments can also be faxed to Maria Galanti at (740) 385-6490 or e-mailed to [maria.galanti@epa.ohio.gov](mailto:maria.galanti@epa.ohio.gov). Ohio EPA will consider all comments submitted during the public comment period before acting on the designation request. Comments can also be sent to: [derrcomments@epa.ohio.gov](mailto:derrcomments@epa.ohio.gov).

A copy of US DOE's request for designation of the CAMUs is contained within Appendix C of US DOE's Proposed Plan for Waste Disposition. Additional information can be found in the "CAMU Supplement" to the Remedial Investigation/Feasibility Study for the Site-Wide Waste Disposition Evaluation Project (RI/FS). These documents can be found at [www.pppo.energy.gov/dd](http://www.pppo.energy.gov/dd) and are available for review at the DOE Environmental Information Center (EIC), 1862 Shyville Road, Room 207, Piketon, Ohio 45661, (740) 289-8898, the Jackson City Library, 21 Broadway Street, Jackson, Ohio 45640 (740) 286-4111, or Ohio EPA's Southeast District Office by calling (740) 385-8501 for an appointment. These documents can also be reviewed by requesting an appointment at: Ohio EPA Division of Environmental Response and Revitalization, Engineering and Remediation Section, P.O. Box 1049, Columbus, Ohio 43216-1049, (614) 644-2917.
