

3745-273-32

**Notification - standards for large quantity handlers of universal waste.**

(A)

- (1) Except as provided in paragraphs (A)(2) of this rule, a large quantity handler of universal waste must have sent written notification of universal waste management to the director, and received a U.S. EPA identification number, before meeting or exceeding the five thousand kilogram storage limit.
- (2) A large quantity handler of universal waste who has already notified Ohio EPA of his hazardous waste management activities and has received a U.S. EPA identification number is not required to renotify under this rule.

(B) This notification must include:

- (1) The universal waste handler's name and mailing address;
- (2) The name and business telephone number of the person at the universal waste handler's site who should be contacted regarding universal waste management activities;
- (3) The address or physical location of the universal waste management activities;
- (4) A list of all of the types of universal waste managed by the handler (e.g., batteries, pesticides, ~~thermostats~~ mercury-containing equipment, lamps);
- (5) A statement indicating that the handler is accumulating more than five thousand kilograms of universal waste at one time ~~and the types of universal waste (e.g., batteries, pesticides, thermostats, and lamps) the handler is accumulating above this quantity.~~
