

3745-50-35

Fees for the treatment of hazardous waste.

- (A) Owners or operators of treatment facilities that are not an "on-site facility" or a "satellite facility," as defined in rule 3745-50-32 of the Administrative Code, and which hold a hazardous waste facility installation and operation permit, or are not subject to the hazardous waste facility installation and operation permit requirements under rules adopted by the director, or are operating in accordance with a permit by rule under rules adopted by the director, mustshall collect a fee amount of two dollars per ton on hazardous waste treated at the facility.
- (B) As used in this rule, "treatment" does not include any method, technique, or process designed to recover energy or material resources from the waste or to render the waste amenable for recovery. The fees to be collected under this rule do not apply to hazardous waste that is treated and disposed of on the same premises or by the same person.
- (C) The owner or operator of the hazardous waste facility subject to ~~the requirements of~~ paragraph (A) of this rule mustshall prepare and file with the director monthly returns showing the total tonnage treated and the total amount of the fee to be submitted to the director. Each such return mustshall be filed by mailing the same to the director together with payment of the amount of the fee shown to be due therein. Each such return mustshall be filed on or before the fortieth day after the end of the month to which the return applies.
