

3745-52-216

Non-laboratory hazardous waste generated at an eligible academic entity.

An eligible academic entity that generates hazardous waste outside of a laboratory is not eligible to manage that hazardous waste under rules 3745-52-200 to 3745-52-216 of the Administrative Code; and

(A) Remains subject to the generator requirements of rule 3745-52-11 and paragraph (C) of rule 3745-52-34 of the Administrative Code for large quantity generators and small quantity generators (if the hazardous waste is managed in a satellite accumulation area), and all other applicable generator requirements of Chapter 3745-52 of the Administrative Code with respect to that hazardous waste; or

(B) Remains subject to the conditional exemption of paragraph (B) of rule 3745-51-05 of the Administrative Code for conditionally exempt small quantity generators, with respect to that hazardous waste.
