

3745-55-70 Applicability- use and management of containers.

Rules 3745-55-70 to 3745-55-78 of the Administrative Code apply to owners and operators of all hazardous waste facilities that store containers of hazardous waste, except as rule 3745-54-01 of the Administrative Code provides otherwise.

[Comment: Under rules 3745-51-07 of the Administrative Code and paragraph (C) of rule 3745-51-33 of the Administrative Code, if a hazardous waste is emptied from a container the residue remaining in the container is not considered a hazardous waste if the container is "empty" as defined in rule 3745-51-07 of the Administrative Code. In that event, management of the container is exempt from the requirements of rules 3745-55-70 to 3745-55-78 of the Administrative Code.]
