Supporting Documentation Required by Rule 3745-27-36 of the Ohio Administrative Code

- Submit copies of disposal papers for the six most recent consecutive months.
- Use the disposal paper information to complete the “Six Month Waste Generation Summary Table”.
- If generating at more than one location (premises), individually account for infectious waste generated at all locations each month. You may complete this form for each location or attach the additional summary table information in your own format.

Six Month Waste Generation Summary Table

Month and Year	Weight in Pounds

I certify under penalty of law that I have personally examined and am familiar with the information submitted in this application and all attachments that based on my inquiry of those persons immediately responsible for obtaining the information contained in the registration application, I believe that the information is true accurate and complete.
