PERMIT SUMMARY

This permit (PTI Number 03-18459) authorizes the Crawford County Board of Commissioners to increase the authorized maximum daily waste receipt (AMDWR) from 700 tons to 1,200 tons at the Crawford County Landfill (Facility) located in Crawford County. Based on the new AMDWR, the Facility's current approved limits of waste placement will provide approximately 6.1 years of operation.

This summary is provided solely for informational purposes and does not constitute a part of, or otherwise affect, this permit.

PTI CONDITIONS

1. The Facility's AMDWR is hereby established to be 1,200 tons. This supersedes any previously established AMDWR for the Facility. This permit shall apply only to the increase in the Facility's AMDWR.
2. The Director, or an authorized representative, may enter upon the premises of the above-named applicant (permittee) at any reasonable time during construction and operation for the purpose of making inspections, conducting tests, or examining records or reports pertaining to the construction, modification, or installation of the above-described source of environmental pollutants (municipal solid waste disposal facility).
3. Issuance of this permit does not relieve the Facility of the duty to comply with all applicable federal, state, and local laws, ordinances, and regulations.
4. This permit may be modified, or alternatively revoked and reissued, to comply with any revisions to OAC Chapter 3745-27 applicable to this municipal solid waste disposal facility.
5. The permittee shall provide for the proper maintenance and operation of the municipal solid waste disposal facility in accordance with the provisions of OAC Chapter 3745-27.

6. Nothing in this permit shall be construed to authorize any waiver from the requirements of any applicable federal or state laws or regulations. This permit shall not be interpreted to release the permittee from responsibility under Ohio Revised Code (ORC) Chapters 3704, 3714, 3734, or 6111; under the Federal Clean Water Act, the Resource Conservation and Recovery Act, or the Comprehensive Environmental Response, Compensation, and Liability Act; or from other applicable requirements for remedying conditions resulting from any release of contaminants to the environment.
7. This permit does not authorize the acceptance of any asbestos or asbestos-containing waste material that is subject to the provisions of NESHAP, 40 CFR Part 61, Subpart M. No such asbestos or asbestos-containing waste material may be accepted without first obtaining the necessary permits from Ohio EPA.
8. This permit does not authorize the acceptance of any hazardous or infectious wastes, except for those excluded from hazardous waste or infectious waste regulation by ORC Chapter 3734.
9. Unless specifically superseded by this permit, the Facility shall comply with the requirements of all authorizing documents issued prior to this permit.
10. Pursuant to ORC Sections 3745.11(Q) and (V), payment of the solid waste permit-to-install fee balance, in the amount of \$600.00 payable to "Treasurer, State of Ohio," shall be submitted to Ohio EPA, Attn: Fiscal Administration, P.O. Box 1049, Columbus, Ohio, 43216-1049. The fee balance shall be submitted not later than thirty (30) days after the effective date of this permit. Failure to timely submit the required permit fee balance will result in assessment of late penalties in accordance with ORC Sections 3745.11(Q) and (V).
