## **About this Document**

This document is intended to provide a graphical run-through of the Ohio EPA Division of Surface Water (DSW) Tracking, Reporting, and Electronic Application Management System (STREAMS). STREAMS is a self-service feature available through Ohio EPA's eBusiness Center for submittal of permit applications, make fee payments, conduct permit approvals, and for compliance and reporting. It will replace the paper-based permit application process with electronic applications and payments, provide permit approval process status to applicants electronically, and allow permit holders to submit monitoring reports electronically. The document lays out the STEAMS process from the beginning to end and provides a top-down overview of the work flow by guiding the user with actual screen shots of the system in sequential manner.

## **Recent Changes to this Document**

11/12/15 - Initial Release w/current screen shots of General Permit application forms (*not including NPDES Individual permits and various reporting forms. Document will be revised in December 2015 to be all inclusive*).

**Security Information**

The security question is a question to which only you know the answer. For example, you might enter, "Pet's name?", "Mother's maiden name?", "Favorite color?". etc.

Security Question:

The security question answer is the correct answer to the security question you entered above.

Security Question Answer:

Create a User ID and password of your choice and fill out all the necessary fields within the form. If you forget your password in the future, the system will prompt you with your security question where you will need to respond with a correct response. Once your User account is created...log in! This will be the **ONLY** account you ever need. You will access **ALL** of your facilities in the **SINGLE** account as well as access any other Ohio EPA Divisions in the future. The next step is applying for a PIN and activating your eDMR service....discussed next. Be sure to create a password that is at least **eight** characters in length, contains at least **one** upper and **one** lower case letter, contains at least **one** numeric character, and contains at least one special character (the SHIFT number symbols). The system will inform you if your password does not meet these specifications. Also be sure to fill in all highlighted fields, these are mandatory. Create a User ID & password that you will remember. If you forget either of them, you will not be able to log in and will have to click the **FORGOT PASSWORD** link to get a hint or have the system reset and email you a new password.

### **TIPS on Creating your Ohio EPA e-Business Center account**

1. Click on the following link: <http://ebiz.epa.ohio.gov> (Click OK if you get a "Security Alert" message)
2. You should see the Ohio EPA eBusiness Center login screen (Save the page in your favorites).
3. Click on ***Create New Accounts*** to open the New User Account window.
4. Enter all the info indicating, following these guidelines...
  - a. For User ID: It needs to be something you will remember (example Jmiller1).
  - b. Company Name: Enter your company/facility name.
  - c. Password: Your password must be 1) at least 8 characters, 2) include at least one upper and low case letter, 3) at least one number, 4) at least one special character (e.g. #@!\*), and 5) no blanks. For Example, select a combination of 2 words that you can remember (e.g. big dog), BUT pick something that is not common or obvious (e.g. not "Go Bucks" or "password"). Remove the blank, capitalize the first letter, and add a special character and a number (e.g. Bigdog-1).
  - d. Password Hint: If you forget your password, the system will use this to help you remember. DO NOT enter your password here. Instead enter a vague hint, something meaningful only to you. For example, for password "Bigdog-1", the hint "enormous canine" would be too obvious. But the name of my dog would be a safe hint since most hackers would not know it.
  - e. Primary e-mail address: Enter your work e-mail.
  - f. Secondary e-mail: You can enter another email or leave blank.
  - g. Security Questions & Answers: You can enter any questions you want and its answer. Pick a question that you know the answer to, but few others would. The e-Business Center will eventually use this info when a user makes account information changes (e.g. changing e-mail or address) to verify the person logged on is actually the owner of the account.
5. When all required fields have been entered, click the ***Submit*** button at the bottom of the page.
  - a. If you missed anything, you will get an error message. Correct the error and Submit again.
  - b. If all OK, you will get a new page indicating that your account was created. Click ***Continue*** to return to the login window.
6. You should now be able to login immediately with your new user ID and password.

## Section I. eBusiness Center – New Account

### Congratulations!

The creation of your account was successful! An e-mail notification has been sent to the e-mail address you entered with your new account information.

Welcome to the eBusiness Center...

#### Limited Privileges

This account has been created with limited privileges. If you wish to submit an application or report you will need to request a PIN. The PIN is a number only you know and is proof of your identity.

#### Getting Help

If you need help at any time please feel free to contact us at (877) 372-2499 (1-877-EPA-BIZZ) or get help online at our AnswerPlace by clicking [here](#).

Thanks for using Ohio EPA's eBusiness Center!

[Click here to login to the eBusiness Center...](#)

After successful account and password creation, your new eBusiness Center account is ready to be used. You will now click “CLICK HERE TO LOGIN” and log on using the user name and password that you have just created. This will give you access to begin business with any of the Divisions of the Ohio EPA (referred to as “Services”) that provide electronic services.

## **Section I. eBusiness Center - Incorrect Login**

If you are attempting to log on and you receive the below message, you have entered an incorrect User ID and/or Password. Verify your User ID and Password and try again, they are both case sensitive so watch the CAP LOCKS key!

# **Error Logging In**

You entered an incorrect username/password.

## Section I. eBusiness Center – Forgot Password?

The screenshot shows a web page titled "Password Recovery" with a light blue header. Below the header are four sections, each with a green title bar:

- Password Recovery:** Contains a red 'x' icon in a box and the text: "Follow the step below to recover your account password. If you need assistance please contact us at (877) 372-2499 (1-877-EPA-BIZZ)." This section is highlighted with a yellow background.
- Password Hint:** Contains the instruction: "Enter the your user ID below and click 'Get Hint' to receive your password hint." It has two input fields: "User ID:" and "Hint:". A "Get Hint" button is on the right.
- Security Question:** Contains the instruction: "If the password hint did not help, enter your user ID click on Get Question. Once the question appears, enter your answer. If you answer correctly, an e-mail will be sent to the e-mail address associated with the user ID you entered." It has three input fields: "User ID:", "Security Question:", and "Security Question Answer:". "Get Question" and "Submit" buttons are on the right.
- Additional Help:** Contains the text: "If you can't remember the answer to your security question, or the password hint was not helpful, please contact our customer support staff at (877) 372-2499 (1-877-EPA-BIZZ)." This section is partially obscured by a yellow highlight.

At the login screen, if you forgot your eBusiness Center password, click “Forgot Password”. This screen can assist in 2 ways. First, type in your User ID in the PASSWORD HINT box and press GET HINT. You provided this when you created your account and now hopefully it will assist with remembering your password. If it doesn’t, jump down to the SECURITY QUESTION box, type in your User ID and press GET QUESTION. The system will provide you with your security question that you provided when you set up your account. Type in your answer in the 3rd field and press SUBMIT. If your answer matches, the system will reset your password and email you the new one to the email address that is associated to your user account. The eBusiness Center Helpdesk can be contacted if needed.

## **Section I. eBusiness Center - System Unavailable**

If you get the below message at any time, the Ohio EPA eBusiness Center and or e-DMR is unavailable for some reason. At certain times, the system may be requiring maintenance or certain upgrades. If this occurs, the Agency is actively working on restoring the site and try logging on at a later time (ex. a couple hours later).

Although this document is designed to graphically walk STREAMS users step by step through the eBusiness Center, into STREAMS, and to a successful submission of your application forms, the Agency has created an eBusiness Center user guide that is available to you as well. On the log in screen, click the link labeled “Click here for Online Help”. The document is available in both Adobe Acrobat PDF & Microsoft Word versions, just click the one you want to open/download to your computer. As you go through eDMR, each screen will have a “Help” button which you can click at any time to obtain assistance on that specific current page (example below).

## **Section I. eBusiness Center – PIN Application & eDMR Service Activation**

To submit applications via STREAMS you will need a PIN (i.e., your legal electronic signature). The PIN Application process is graphically laid out in Attachment 3 of the eDMR All-In-One Document. The attachment provides a very quick and easy step by step walkthrough using actual screenshots of the entire process from A-Z – it is downloadable from the below link.

## Section II. Adding Permits

The screenshot displays the Ohio EPA eBusiness Center interface. At the top left, the logo for the Ohio Environmental Protection Agency (Ohio EPA) is visible, along with the text "State of Ohio | Ohio EPA | Logout". Below the logo is the "eBusiness Center" header. The main content area is partially obscured by a modal window titled "Add Existing Permit".

The modal window contains the following elements:

- A red error message box with a white 'X' icon: "Unable to find an active permit with number 3GC02161".
- A light blue instruction box: "Use this page to associate an existing permit to your account. Simply enter your permit number below."
- A text input field labeled "Permit Number" containing the value "3GC02161".
- Two buttons at the bottom right: "Search" and "Cancel".

In the background, the "Permit List" section is visible, showing a table with columns for "Permit Number" and "Application Type". Below this is the "Application List" section, which features a table with columns: "Application ID", "Number", "Application Type", "Location Name", "Created", "Status", and "Actions". The table currently displays "No items to display".

If the permit you have attempted to add is not a valid permit number in the system you will receive the above message. You can re-attempt to enter a valid permit number or if you do not know the correct number you can contact [James.Roberts@epa.ohio.gov](mailto:James.Roberts@epa.ohio.gov), the eDMR administrator for assistance in obtaining the correct permit number associated with your facility.

### Payment Service

Most invoices issued by Ohio EPA may be paid online with one of the credit cards listed below or by debiting your bank account through the Automated Clearing House (ACH). All online transactions are processed as one time payments. Ohio EPA does not save your credit card or bank account information. If you need assistance please call our Fiscal office, Mon. - Fri. between 8 AM and 5 PM (closed on holidays) at (614) 644-2339.

**Master Card, VISA or Discover Credit Card:**  
Any eBusiness account holder can pay using a credit card; you do not need a PIN. A service fee of 2.2% is added to payments made by credit card. Your credit card statement will show two payments, the invoice payment and a separate service fee.

**Automated Clearing House (ACH):**  
Ohio EPA eBusiness account holders must have an Ohio EPA PIN to pay by ACH (electronic check) from your bank account. There is no service fee for ACH payments. Some bank accounts have a debit block or filter that rejects ACH payments. Please contact your bank if you think a debit block may be in place and ask your bank to modify or remove it before you pay using ACH.

**US Mail Check or Money Order or State Agency ISTV:**  
Invoices may be paid by mailing a check or money order payable to Treasurer, State of Ohio along with a copy of the invoice or payment coupon to: Ohio EPA, Dept. L-2711, Columbus, Ohio 43260-2711. Please write the Revenue ID number or Transaction ID number from the invoice on your check or money order. State agencies may pay with an ISTV by calling our Fiscal office at (614) 644-2339.
