

#10SWIF-145

Wild Cat Run Stream Restoration and Stormwater Management Demonstration

Project Sponsor

Liberty Township
Surface Water Improvement
\$108,991 SWIF Funds

Local Project Contact

David Anderson
Liberty Township
10104 Brewster Lane #125
Powell, Ohio 43065

Environmental Results

Restored 500 linear feet of
perennial stream with natural
channel design

Constructed a 260'x40' self
forming channel on a
previously channelized feeder
stream

Constructed a 450'x8' bottom
vegetated swale

Protected 3,800 linear feet of
wooded stream corridor with a
conservation covenant on
approximately 30 acres
