## **Political Activity Policy:**

1. All Ohio EPA employees may register and vote, make voluntary financial contributions to political candidates or organizations, circulate non-partisan petitions, sign nominating petitions in support of individuals and attend political rallies.
2. Classified employees may not engage in partisan political activities, e.g., soliciting contributions for a party or a candidate, circulating nominating petitions for a partisan campaign and participation in a political action committee which supports partisan activity.
3. Unclassified employees may generally participate in any political activities, but may not do so during regular work hours.
4. Political activity on state time or property or using state resources is strictly prohibited.
