

**Public Notice – Request for Comment**  
**Draft Revisions to Ohio Administrative Code (OAC) Chapter 3745-14**  
**and Rescission of OAC Chapter 3745-109**

Notice is hereby given that the Ohio Environmental Protection Agency, Division of Air Pollution Control (DAPC) has prepared amendments to the NOx Budget Trading (NBT) Program rules in Ohio Administrative Code (OAC) Chapter 3745-14 and the Clean Air Interstate Rule (CAIR) in OAC Chapter 3745-109. Revisions to OAC Chapter 3745-14 are necessary to demonstrate continued compliance by large non-Electric Generating Units (non-EGUs) with the NOx State Implementation Plan (SIP) Call following U.S. EPA's discontinuation of compliance trading options under the NBT Program. Rescission of OAC Chapter 3745-109 is proposed due to the promulgation of the federal Cross State Air Pollution Rule (CSAPR) Program which superseded the CAIR program. Note: Ohio EPA intends to follow this rulemaking with a second phase of rulemaking revising OAC rule 3745-14-08 to incorporate alternatives to the existing Part 75 monitoring and reporting requirements.

As part of the rule-making process, DAPC is required by Section 121.39 of the Ohio Revised Code to consult with organizations that represent political subdivisions, environmental interests, business interests, and others affected by the rules. The DAPC is offering your organization the opportunity to comment on this rule before the division formally proposes them.

Pursuant to Part D of Title I of the Clean Air Act, Ohio EPA is required to establish a state implementation plan (SIP) for the attainment and maintenance of the National Ambient Air Quality Standards (NAAQS). The above-mentioned rules are a part of Ohio's SIP and the proposed amendments will be submitted to USEPA as a modification of the SIP.

These rules and supporting documentation including a draft of the Business Impact Analysis (BIA) document are available electronically for review at: <http://epa.ohio.gov/dapc/regs/regs.aspx>. See the information under "Interested Party Review" tab for OAC Chapters 3745-14 and 3745-109. We request that you provide us with any comments you may have to the draft rules and draft BIA document by **Friday, September 8, 2017**.
