### Chemical Application for Certification

Application for (check applicable boxes):
- [ ] Initial
- [ ] Renewal
- [ ] Add Analyst(s)
- [ ] Add Method(s)

<table>

**NOTICE**

In order to be processed, the most current version of the application must be used, and it must be complete and legible. The most current version is located on our website at [https://epa.ohio.gov/ddagw/labcert](https://epa.ohio.gov/ddagw/labcert). After acceptance of this application, an invoice will be generated. Additionally, the lab must have copies of all referenced methods and an acceptable SOP, or the most current version of the Ohio EPA lab certification manual.
**Analyst Information:**

- List analyst name and analyst number.
- Identify if an analyst is seeking Certification or Operational Certification.
- Mark NEW if an analyst is new to this laboratory or is changing status.
- Identify the analyte(s) for which each analyst is seeking certification. *The abbreviated test methods are listed on page 3.*

OATH

I certify that all of the information included on this application is true, complete and correct to the best of my knowledge and belief and are made in good faith. I affirm the right of the Ohio Environmental Protection Agency to inspect the laboratory, its operations and pertinent records. I agree the personnel to be approved will analyze applicable unknown performance samples provided at the time of the survey and will report the values within a time period designated by the Laboratory Certification Officer.
