

Electronic Submission of Data to Ohio EPA

Electronic submission of information to Ohio EPA cannot be completed with external devices (jump drives, CDs, etc.). Instead, please complete the following:

1. Go to Ohio EPA's file sharing website: <https://fileshare.epa.ohio.gov/>.

Ohio EPA Large File Transfer (Powered by LiquidFiles)

A screenshot of the Ohio EPA file sharing website's login and registration area. It shows a login form with a text input field, a "Password" label, another text input field, and a blue "Login" button. Below the login form is a checkbox labeled "Remember me". At the bottom, there are two buttons: "Password Reset (non-Ohio EPA users only)" and "Register (non-Ohio EPA users only)". A blue arrow points to the "Register" button.

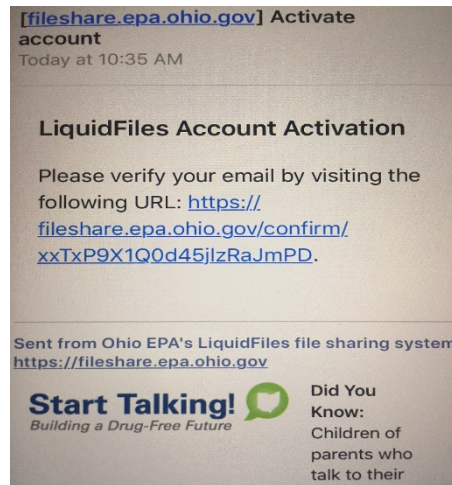

2. Click on the button in the bottom right hand corner to create an account.

Register (non-Ohio EPA users only)

A screenshot of the registration form for non-Ohio EPA users. The form is set against a light gray background and contains the following fields: "Name" with a text input field, "Email" with a text input field, "Password" with a text input field, and "Password Confirmation" with a text input field. Below the "Email" field, there is a note: "A confirmation email will be sent to this address. If you are a current Ohio EPA employee, email registration is not required. Click your browser's back-arrow button to return to the main page to use your network credentials." At the bottom of the form is a blue "Save" button.

3. Provide your name, email address, and create a password to create an account.

- An email will be sent to you to activate your account. Click on the link in the email.

- Log in to your account.
