

3745-55-20

Certification of completion of post-closure care.

No later than sixty days after completion of the established post-closure care period for each hazardous waste disposal unit, the owner or operator must submit to the director, by registered mail, a certification that the post-closure care period for the hazardous waste disposal unit was performed in accordance with the specifications in the approved post-closure plan. The certification must be signed by the owner or operator and ~~an independent, qualified, registered~~ a qualified professional engineer. Documentation supporting the ~~independent, qualified, registered~~ professional engineer's certification must be furnished to the director upon request until he releases the owner or operator from the financial assurance requirements for post-closure care under paragraph (I) of rule 3745-55-45 of the Administrative Code.
