

3745-66-73 Management of containers.

- (A) A container holding hazardous waste shall always be closed during storage, except when it is necessary to add or remove waste.
- (B) A container holding hazardous waste shall not be opened, handled, or stored in a manner which may rupture the container or cause it to leak.

[Comment: Reuse of containers in transportation is governed by United States department of transportation regulations, including those set forth in 40 CFR Section 173.28.]
