3745-52-12

Generator identification numbers.

- (A) A generator shall not treat, store, dispose of, transport, or offer for transportation hazardous waste without having received a U.S. EPA identification number from U.S. EPA or Ohio EPA.
- (B) A generator shall not offer the generator's hazardous waste to transporters or to treatment, storage, or disposal facilities that have not received a U.S. EPA identification number.
- (C) A recognized trader shall not arrange for import or export of hazardous waste without having received a U.S. EPA identification number.

[Comment 1: The exercise of foreign relations and international commerce powers is reserved to the federal government under the Constitution. These responsibilities are not delegable to the states. Therefore, the importation and exportation of hazardous waste into and out of the United States is solely regulated by the federal government.]

[Comment 2: For dates of non-regulatory government publications, publications of recognized organizations and associations, federal rules, and federal statutory provisions referenced in this rule, see rule 3745-50-11 of the Administrative Code titled "Incorporated by reference."]
