Lorain Harbor

**Dredged Material**

1.5 million cubic yards per year

annual averages

66,667 = 9,000 dump trucks filled and lined up 51 miles

**Major Stakeholders**

- Lorain Port Authority
- U.S. Coast Guard
- American Metal Chemical Corp.
- Jonick Dock & Terminal
- Lorain Tubular, Co.
- Terminal Ready Mix, Inc.

**Development Plans**

Dredged material can be used as construction and landscaping material to help communities meet development plan goals. Plans exist for these communities in the Lorain area:

- Lorain Dike Disposal Master Plan (2007)
- Black River Master Plan (1989)

**Parks & Public Places**

Dredged material can improve public spaces by enhancing soils, providing new landscape features and restoring ecosystems.

- Lorain County Metroparks
- City of Lorain
- City of Sheffield Lake
- Lorain Port Authority

**US Army Corps of Engineers Dredging Activities**
