(A) Applicability. Unless otherwise specified by paragraph (B) of this rule, this chapter is applicable to an owner or operator of a solid waste transfer facility or solid waste landfill subject to Chapters 3745-27 or 3745-29 of the Administrative Code.

(B) Exclusions. This chapter shall not apply to the following:

1. Residual waste landfill facility as defined in Chapter 3745-30 of the Administrative Code.
2. Production operation as defined in section 1509.01 of the Revised Code.
3. The temporary storage of material in an area adjacent to the location associated with the production operation of the well pursuant to section 1509.074 of the Revised Code.
4. Material reused in the horizontal well from where it originated or is transferred to another site for reuse in a horizontal well pursuant to section 1509.074 of the Revised Code.
5. Material disposed of at an injection well for which a permit has been issued under section 1509.22 of the Revised Code.
6. Material used in association with a method of enhanced recovery for which a permit has been issued under section 1509.21 of the Revised Code.
7. Material transported out of the state for lawful disposal pursuant to section 1509.074 of the Revised Code.
8. Material that is not a solid waste and not TENORM and that has not come in contact with a refined oil-based substance, unless the material is commingled or mixed with any of the following:
   a. Drilling operation material that is TENORM.
   b. Drilling operation material that has come in contact with a refined oil-based substance.
   c. Any wastes regulated under Chapter 3734. of the Revised Code.

(C) Nothing in the rule shall be construed to limit any obligations of the owner or operator under Chapters 1509., 3734., and 3748. of the Revised Code and rules adopted thereunder.
