Notification of Compliance Status Report

Due on or before July 28, 2008 (existing) or upon installation

1. Print or type the following for each separately located dry cleaning facility. The owner of more than one facility must fill out a separate form for each facility.

Owner/Operator ____________________________________________________________

Company Name ____________________________________________________________

Mailing Address ____________________________________________________________

City_______________________________________ State___________________________ Zip________________________

Phone Number ____________________________________________________________

Plant Address (If Different Than Mailing Address)

Street Address ____________________________________________________________

City_______________________________________ State___________________________ Zip________________________

Ohio EPA Facility ID Number (if known) _______________________________________

2. This facility (check only one):

☐ uses perchloroethylene (perc) - check box and go to question 3

☐ is a pick-up store only, having no dry cleaning machines.  See * below

☐ has only coin-operated dry cleaning machines that are operated by the customers.  See * below

☐ does NOT use perc.  Indicate the cleaning fluid and see * below

☐ GreenEarth BS-32  ☐ Exxon DF2000™  ☐ Chevron Phillips EcoSolve®  ☐ Rynex™

☐ SASOL LPA-142  ☐ Water-based cleaning  ☐ Carbon dioxide (CO2)  ☐ Other______________

* If you checked one of these three boxes, you are finished with the report. Sign and return copies of the form to the addresses given on the title page of this report.

3. This dry cleaning facility is located (check only one):

☐ in a building with a residence(s), even if the residence is vacant at this time.

☐ in a building with other commercial tenants (non-residential).

☐ in a building with no other tenants, leased space, or owner occupants (stand-alone building).

4. Based on perc consumption, this dry cleaning facility is a (check one):

☐ Area source (uses less than 2,100 gallons/year of perc)

☐ Major source (uses more than 2,100 gallons/year of perc)
Write in the total volume of perc purchased for ALL of the machines at this dry cleaning facility over the past 12 months:

______________ gallons

NOTE: If this is a new facility or if perc purchase records have not been kept, the volume may be estimated for this initial report.

Method of determining gallons used (check one):

☐ Actual purchase records  ☐ Estimated

5. Is the perc dry cleaning facility in compliance with all applicable control device and monitoring requirements of paragraph 63.322 of 40 CFR Part 63, Subpart M – National Perchloroethylene Air Emission Standards for Dry Cleaning Facilities (July 27, 2006 Final Rule)?

☐ Yes  ☐ No

6. I, the undersigned, as the Responsible Official for this dry cleaning facility certify that the information contained in this report is accurate and true to the best of my knowledge.

__________________________________________________________________________________________________
Signature  Date

_____________________________________________________________________________________________
Print or type name  Title

A Responsible Official can be:

• The president, vice president, secretary, or treasurer of the company that owns the dry cleaning facility,
• An owner of the dry cleaning facility,
• The manager of the dry cleaning facility, or
• A government official if the dry cleaning facility is owned by the Federal, State, City, or County government.
• A ranking military officer if the dry cleaning facility is located at a military base.

This form was created by Ohio EPA’s Office of Compliance Assistance and pollution Prevention (OCAPP) to help facilities comply with the federal dry cleaning regulations. For assistance in completing this form, contact OCAPP toll-free at 1-800-329-7518.
